FAITH AT WORK

**”WHAT GOOD IS IT, DEAR BROTHERS AND SISTERS,
IF YOU SAY YOU HAVE FAITH BUT DON’T SHOW IT BY YOUR ACTIONS?”**

Dear Community Partner,

We are so grateful that our doors have been open for daily, in-person instruction since our school year began in August! What a blessing in such an unprecedented year.

Because of the events of 2020, we had to cancel some of our largest fundraisers. As an independent PreK-12 school, all funds are acquired through tuition, fundraising, and donations. The loss of major fundraisers has created new challenges for our school.

One answer to these challenges: **Workathon**. Each spring our students diligently seek out family, friends, and businesses to sponsor them for a **day of service in our community**. This year, all the students' efforts culminate on Friday, May 7th. Crews of students, led by staff and parent volunteers, will head out to complete a day of work for elderly or handicapped residents, or serve in community parks and schools. Many of these projects would be valued at hundreds of dollars, **but because of Workathon, projects are done at no cost to the recipient!**

This year's Workathon goal of \$60,000 is our most ambitious yet, and will help provide general operating expenses for things like textbooks, technology, salaries, and facility maintenance and repairs. We're asking you to partner with us to reach our goal! **Would you consider sponsoring Christian Community School's Workathon event?**

In a year that has brought nearly insurmountable challenges for many in our community, we thank you for your consideration.

God bless,
Rick Willis, Development Director
Jackie Hronek, Marketing Director

P.S. Be sure to look for our crews out in the community on May 7th. They'll be wearing matching Workathon t-shirts!
