Compatibility & Statement of Faith

As an independent, non-denominational Christian school, CCS values the freedom to instruct children in liberal arts academics and to invest in them spiritually. We seek to promote healthy, long-lasting, God-honoring relationships among our small community of students, teachers, and families.

For this reason, our application includes a lifestyle agreement to commit to biblical principles and practices while a part of CCS.

Non-Discrimination

Christian Community School admits students of any race, color, and national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available by the school. It does not discriminate on the basis of race, color, or national or ethnic origin in the administration of educational policies, admissions policies, scholarship programs, athletics, or any other school administered programs.

What our families are saying...

"I personally like how CCS teachers, especially at the high school level, encourage debate and the free exchange of ideas while holding fast to the Bible as the foundation and source of Truth."

"The foundation that my children have received, not only academically but spiritually, is priceless."

"The educational opportunities are fantastic, with teachers who take a personal interest not only with education but character and leadership development. Top notch school."

"Truly CCS is a blessing, and if we had to chose one word we feel after our first year about being at this school it's: THANKFUL!!!!!"
